

Thank you for considering Sunterra Dental® for you and your family's dental needs. Sunterra Dental is located in the east end of Regina at Unit G4 - 2065 Prince of Wales Drive, directly across the parking lot from Superstore east. We are pleased to welcome you as a new patient and look forward to being of service to you.

All new patients are required to fill out a New Patient intake form. This is done at the beginning of your appointment. Be sure to bring your valid health card and/or insurance card.

We Welcome Patients Experiencing Dental Emergencies!

To ensure that your first visit is as comfortable and pleasant as possible, it is important to us that your visit feels comfortable and welcoming! From the moment you walk into our office and are greeted by our Team, we want you to feel as if you are part of our extended family.

Your dental appointment time will be a special one-on-one consultation time with our Sunterra Dental® Dentist. The dentist and their team will take all the time necessary to discuss your dental health levels, needs, and goals.

Our goal is to keep you aware of your dental health needs. Whether that is by email, text message or even a simple phone call, we will make sure that it fits with your schedule to help you attain your dental health goals.

**Here at Sunterra Dental®, if you are a New Patient coming in for your checkup and cleaning appointment - you will receive a free Venus White Ultra® take-home whitening kit.**

Venus White Ultra® is a convenient entry-level whitening system that you can use at home with no chair time required. The system consists of pre-formed, single-use whitening trays that are pre-filled with whitening gel. The gel is 11.2% mint-flavored hydrogen peroxide. Each kit contains seven upper and lower trays that are intended to be worn 30-45 minutes daily. The trays are thin and flexible providing a universal fit. Visible whitening was noticed after the first use in many tested cases, and 85% of patients felt it whitened their teeth. Below, find just some of the feedback received:

*"Whitening was visible after the first use"*

*"Cost effective option for patients!"*

*"No sensitivity to teeth or gingiva"*

*"No trays to load or clean"*

*"Quick, easy & effective"*

*"Trays fit loosely and slide on the teeth"*
